Hi Bobby,

Here is the first cut of the reel. I just watched it a couple times, I like it, I am going to ask Alex to change the music. Before I send Alex my notes, I wanted to give you a chance to comment. Let me know your thoughts.

Sean

Hi Alex,

Just got done watching all of Bobby Slaytons footage several times. Looks like the best take is on video 81558969 between 7:17 and 9:17. and I want to end it with video 81558746 3:22 to 3:27 " Here we come America! Your about to be Horrified! Ha! Ha!"

During his two minute pitch I want to fly all kinds of graphics into the screen. Abonded Insane Assylums, Groupd of Military Guys, Teens, Pretty much all of the things he is mentioning that you can find pitcules and B-roll for. And maybe some background music. Try the soundtrack from the exorcist. Or have a listen to the Eyes Wide Shut soundtract the "Masked Ball" track, that one os pretty scary.

Let me know you got this and when I can expect a draft. Also, can you drive down to San Diego with me on Jan 9 to film.

Lets hop on the phone and discuss before you start cutting.
