I will certainly pay you the dollar next time I see you.

I forget the specifics but I absolutely said the Euro would be worth less today than it has ended up being and you said it would turn out like it has.

I still like Dalio but he has had a tough year. Dalio still have an amazing track record. It is not an area I claim to be ahead of others in – my things are software and a set of diseases.

I spent a week in the Caribbean on Serene. If you have a large group that is a nice boat. It is unclear how the owner can afford such a big boat – he must have a lot more money than the Russian rich list gives him credit for. We cruised from Dominica to Grenada hanging out at different beaches. I played tennis at Canouan a few times. The waves and rain were a bit worse than other times I remember but it was still great.
