Good afternoon Mrs de Jongh-

Happy New Year to you. I received word from both Phillip and Dave regarding their availability for the inspection and January 8 looks to be the better date. If it would work to have them meet at the AYH dock at 8:30 am that day, please let me know and I will pass along the info.

good morning mrs de jongh-

I was able to confirm with Phillip Smith of building permits and Dave Rosa of my staff that they are available to perform an inspection on December 10. If Ms. Rodriguez can arrange for the both of them to be picked up at AYH, they can both be there at 8:30am. If this is acceptable, please let me know and I will forward the confirmation to the both of them

Good afternoon Mrs de Jongh,

I spoke with Phillip Smith and he indicated he would be the one to do the inspections for building permits and that Wednesday tentatively looked good; he just has to check his calendar for a final confirmation. My employee who will be doing the COs for CZM was out today, but I will be following up with both persons in the morning.
