Why can't I be a photographer? If I go to school and do it in a professional way than I can get paid for it so that I can work and at the same time do what I like

, people need to work. thats life. . need to not want to. . the email i sent from jan of last year is the same as others. you need to do your part. you are not a charity . the fact that you dont like the idea of working. is silly. . no one likes it. . but they have to do it . so do you .. you use school as an excuse not to work, . acting school brings no money. just fun. thats what you want. . read the email . " you will have to work hard to regain trust " you didnt. you just want to be given things. over and over.

Resourceful in what ? I've worked this whole year long. I worked hard doing things I didn't like and even by doing it can't pay all my expenses alone and you are still not talking to me. If I get zero satisfaction out of it (financially and emotionally) why should I do it ?? Which gratification do I get ?

My dream would have been to go to a photography school like Parson's, icp or St.Martin and learn it in a professional way since it's my passion and it's what makes me happy. I also would have loved to try acting school during the summer or in my free time. I don't know why I've always been denied to it.

you had the chance , . three times. . you were asked to help yourself and be a part of the solution instead of merely asking for money and going to school in order not to have a job. you told me i should not have helped you with money. !! i should have known better and forced you to work. I shouldnt have listened to your complaining you said. you are capable . pretty and resourceful , giving you charity is not in your long term interest. . find a job.

if you want money for your rent and living you will have to detail what you have and what you need. a part time job as well by mid Feb. as you can i m sure understand, i hesitate to trust you . i know you realize the mistake you have made, but it doesnt help me . you will have to work very very hard to regain any sense of trust from me. . and the very first fuck up. me and you are history, plain and simple. no support or communiication from that moment on . zero.
