Subject: Notes on Proposal for 3M

Date: Sat, 18 Jan 2014 19:26:43 +0000

Please read below the notes I have made on Taras proposal for Apartment 3M.

And this is only the 1st one.

I am continuing to go through them.

Please let me know if you have any suggestions for the format I present it to you in.

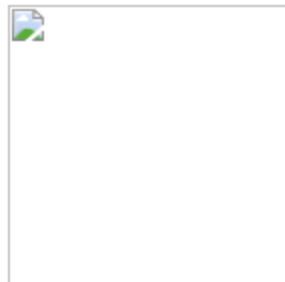

Apartment 3M

([REDACTED])

Coffee Table - PMG (Partners Management Group) have quoted us **\$ 2163.00**.

On DWR (Design within Reach) website coffee table (identical specs to Tara's furniture specs) is \$ 900.00.

With trade discount of 12% for SLK it would **\$ 792.00**

In the Furniture Specification list from Tara she kept a **side table** in which I dont think JE had approved. In the PMG Pricing List this side table is **\$ 5800.00**. When I go to the website of Modern Furniture Knockoffs (where Tara and PMG have specified it comes from) it says '**starting from \$ 389.00.**'

Lounge chair specified by Tara is from Bo Concept. THIS is supposed to replace the leather armchair JE selected at Bloomingdales HIMSELF for the apartment in 2012. The leather armchair selected by JE is great and in perfect condition. The side chair selected from Bo Concept feels hard and uncomfortable to sit in. Cost of Bo Concept Chair is **\$ 1184.00**

There is a placeholder for **pillows** on the PMG pricing for **\$ 6000.00**.

I dont know if this is a mistake.

On Taras furniture specifications it says 'for budget purposes include \$ 1000.00'

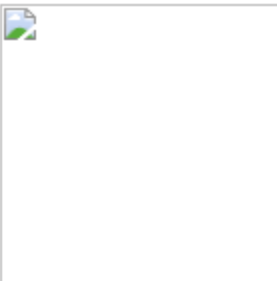

On PMG pricing it has a quantity of 6 and a total of \$ 6000.00

The drapery and window shades come to \$ 7500.00. The blinds that are currently installed were chosen by [REDACTED] and [REDACTED] from Room and Board in late 2012 / early 2013. It is the same as mine. Currently looking for price, doubt more than \$3500.

The **Dining Table** from DWR Saarinen Round Table pricing is strange. On DWR web it is \$ 3346.00, Therefor with our trade discount of 12% we would pay \$ 2944.48. PMG have quoted us \$ 2637.94. On the modern Furniture Knockoffs website it is listed as starting from \$1499.00. which concerns me.

Regardless the **current Dining Table was chosen by JE** in Bloomingdales, is great and only about 1 year old

New one below

Bo Concept media cabinet PMG have listed **\$ 1719.00**. On Bo Concept website it is **\$ 1295.00**.

PMG have a rug from Bo Concept on the price list for \$ 849.50. Tara has a rug from Holly Hunt on the Furniture Specifications. I have registered with Holly Hunt in order to get the pricing.

Desk - couldn't find on Y living Website, PMG pricing is \$3250.00. (On Houzz it is a similar price)

Free standing mirror is correct

PMG specifies floor lamp for \$ 2419.00 from DWR. Tara's furniture specs specify floor Lamp from Neenas Lighting. No cost on website.
