Subject: Payment

Good afternoon David,

As per our discussion, we are expecting the following payment to be made:

1. 10/19/17 - Payment of \$250,000
2. 11/02/17 - Payment of \$150,000 at the minimum if the bank fund doesn't roll out by then

If the bank has funded, we are expecting the payments to be up-to-date.

Based on this agreement, we will proceed to work to achieve TCO and rest of the work as best as we can. Of course the millwork for the speakeasy will take more time (will get updated schedule from the Millworker) but we will do everything we can to finish up everything in the next 2/3 weeks.

There are some Change orders that need to be done for the TCO. We will proceed with those work after we get an approval from your end. So please discuss with Scott & Gary to get them approved for us to proceed.

This is our last push and will do everything in our power to get you opened and operating. And we know you are doing everything to get funded so we will put our trust in you to make it happen.

Thanks David and talk to you soon!
