Hi Russell,

Please see attached Jeffrey's updated profile. Below the profile I've added his website links as well as recent press links from Forbes and National Review Online. It would be great to have 'Recent Press' or 'News' as a category for him in the right margin.

Attached also is an updated photo of Jeffrey.

I will send Jeffrey the annual 2014 question-- which we can then post.

Thank you so much for letting me know when the page is updated.

My best regards!
