..should we do the four tiles, with JE in it so we get the design like in first picture attached? the background is dark blue. in the sample, on top it is white writing, at the bottom with gray writing..then i added some colors so we get kind of tiles design.

in the second picture attached i did a drawing using J E so it looks arabic writing.., so it would look like in the picture you've sent it to me yesterday.

we put the dark blue on the wall ..its same like in the sample in first picture attached..,

should i put the design with four tiles on it? or what should we do?

are you coming by any chance soon lsj? would be easier if you are here..
