Jeffrey,

I saw the recent release on your funding for the melanoma cocktail. I have had 5 melanoma operations on my foot and eventually lost two toes, so now I do my math to the base 8, and I have had several more melanoma operations on my skin. If you are ever having a fund raiser and want a testimonial, I will be there.

I follow, on the internet, some of the interesting and wonderful things you are doing and I feel better having such an extraordinary mind focused on problems greater than making money. Congratulations!

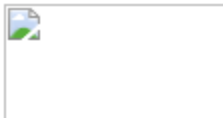

Jerry
