Jeffrey,

Gary is working an "AS IS Where IS" buyer, according to Gary could be in the area of a \$2M offer,. Gary is having trouble contacting Larry Wright the buyers reprehensive this week. Gary informs that buyers broker is asking for a commish from us, just like Elias asked,. they are all bottom feeders in my opinion, but if he produces a contract AS IS, I just want you aware of what is happening, and you can decide at that point how to handle.

I believe its worth waiting until March 3rd, at that time I would like to fly Boeing to Brunswick GA to have Boeing in place to start inspection,. I need aircraft in Maintenance by March 6th due to AD's that are due to be completed, and NO extensions are possible with AD's.

do you agree waiting until March 3rd to re-position the B727 to Brunswick GA?

thank you
Larry
