the bank gets to see where the money goes. it is a loan from the hotel co. to the restaurant co. it was always that way. not sure again. what the issue is. the 700k is still not detailed even to me. you sent me old proformas. budgets. different months prepared at deffernt times. we sawy the 175 neg, for jan to march. whichh included 20k per moths of r & d. etc. . why not put together a sheet that shows where the money is going in detail, you guys are under a microscope. . it needs to be documented and as perfect as it can be. . with explations for every line item. it will protect you, from liablity and me and you from financila loss

If they need controls on me and where the money will be spent

I'm the wrong guy

FYI. David needs what vendors - tell me to look at the weekly requests for payment the vendors are each listed or better yet tell him to look at his cc and who he had to ASAP pay because they refused to deliver for lack of payment

Not falling for his trap again- he already pulled this on me

I dont disagree. i am trying to extricate us both , nothing more . you and i complaining to each other or to him does no good . his asking for real numbers . paid to which vendors , is protection for everyone. . dont see the issue . cost of good s , jus send them the purchase orders. . if hourly employees hired. set aside payroll. . if that is your concern. . the office expense of 12 k for one month. if justified ok. but needs backup. . the construction, acoustic lights air , not your worry. . you have a cushion of 17 percent of revenue that you wont pay, as rent. ?
