No  
Problem

On Sunday, March 16, 2014, Ed Boyden <[REDACTED]> wrote:

Just popping my head above water to catch up on email -- apologies that I seem to have set off a propagating inconvenience. Just by way of background, I'm juggling around \$30 million in proposals that a lot of MIT folks are depending on, and have had to clear the slate to focus on these... sorry that this has led to a downstream cascade....
