attached photo of three Great Dane puppies, 11 weeks old and link to breeders web site for your consideration.

These boys have been neutered and are use to being outside. Please note a lot of breeders were apprehensive about there dogs being kept outside.

The cost of all three is, \$900.00 each plus \$1000.00 shipping from MO

The Breeder can hold them until we get back from our vacation, since we will be directly responsible for the dogs.

Breeder would require 50% deposit to hold dogs.

how do you wish to proceed, purchase or wait.
