Hey Bossman,

One of the Landscapers from Cannel Bay named Shaka said that we desperately need an irrigation team because all the new plants are dying and GSJ is completely brown.

I asked him who's the irrigation guy over at Cannel Bay and he said Mr. Delano Francis.

Mr. Francis was Head Irrigation at Cannel Bay for 27 years. Should I find him to work with Cristobal on irrigation between LSJ & GSJ?

Please advise,  
Ann R.
