i will be able to submit order with Apple Biz Team on Oct 30th

they will not guarantee any quantities however they do say it will be more efficient and better than ordering as a consumer on Oct 27th which has a 2 phone limit in store or online..

Phone to ship on Nov 3rd..

i was told we can order all phones sim free so all users can just pop in Sim card and use with carrier of their preference

Options:

Color: Space Grey or Silver

Capacity: 64GB \$999 or 256 GB \$1,149

Dear Richard,

Good afternoon. I hope that all is well on your end.

As I was out of the office on vacation last week and wanted to connect as the last time we spoke you mentioned interest in iPhone X.

If you can kindly tell me the quantities, colors, storage capacity details so that I can build a quote for you to review in advance of the Pre-order for Business Clients on October 30th.

All the best,

Mark
