I need to get a stronger feel on date of his funding and if it can be done by end of week and what can be done in the interim

not sure who this is for? it says nothing meaningful. the important questions are how much money is really needed? still open. his email as you are well aware says nothing about funding dates. I read the personal guarantees that you and steve signed. oy. I cant imagine how stressful this is for you. sorry. not sure how you are paying your personal operating. ? talked steve down from a tirade. he also has no idea about numbers to complete , payables etc. I was unclear on the status of the interest reserve and its obligation. . i saw the loan doc amendment had liquidity requirements. not sure what they mean.
