Richard,  
Please find attached the paperwork for applicant John Christensen. As you will see from his resume, John is among the top in his field. He has a strong command of both big and small picture issues of running multiple, fine estates. You may, however, want to know why there are few short-lived positions on his resume. As such, I've attached a document with explanation for your convenience. Keith placed John with the Griffin family and is happy to discuss his background in further detail with you.

As always, please do not hesitate to reach out to us with questions.  
Kind Regards,
