The Solar lights for the roads have been changed.

The only road that's not done is the Kite House road but it will be done after it's completed.

Peter to work on road to five plams and down to pebble beach: Monday will do.

Coral stone tile entrance to pops garden: Monday will do.

Palms arrived Peter said 22 trees, Chris said 30: We received 3 Flat racks with 10 palms on each. 30 in total
Chris started transplanting without Peter when they arrived.

Chris did exactly what we asked him to do. He removed all the ones that looked like sticks and planted the new ones.

Install blue tiles at grotto: Will do

Fuel truck: My honest opinion- It would be nice to have one but the existing one is not worth saving due to severe rusting, pump issues and no proper shelter from the salt air.

Solar lights: ?

Hey Bossman,

Jermaine wanted to begin the day before your arrival but I told him not to.
He said that he would need to drill holes in the desk and cut a hole in the carpet but I needed it available
for your arrival and it sounded a little to messy and short notice to begin.
