most interesting talks.. Chenoweth on non-violent protests and Adrian Raine on neural basis of violence

most enjoyable moments: you staying up late at gala, lunch in cellar, blowing the minds of 3000 people at Gammage auditorium

you could always just buy a house here, with cactuses on it already.. :)

at the Great Debate last night.. it was amazing, I think. You can catch the video when it is up... but I think you would have enjoyed it. Don't know if you have left yet or not or whether I will see you today at Jahm's. In any case, it was great to have you here.
