FYI

the following areas where painted last year
hay barn, fire house and garages, adobe 3 bay garages, yellow house and garage, office and touchup on
bunkhouse.
Larry's garage, and trim, log and lodge water proofing

the following is scheduled for this year,
dog pen fence, coral fence and shed MH, Stables, 2 story house, lodge and log cabin water proofing
larry's fence. Window sills and doors staff cottage MH.

all will be washed down after spring winds calm down in late May/June

Please ALL participate in the above, and painting of building etc generally does not start until spring winds calm
down, due to dust
Please advise if the above is OK
