Thank you very much! Everything is going good, moving forward. Now I came back to New York to complete my contract with agency till summer. In the meantime I am applying in competition for a scholarship to do internship in States. And next to it as well will apply for master degree study program.

[REDACTED] told me that you are out from New York right now. How are your travels? Hope you find at least a little bit of time to rest as well!

Would love to come to visit you when you will be back to New York if you will have a free minute some day..

Good evening Dear Jeffrey!

It has been a while since I didn't hear from you. Hope that everything is going well and you are feeling good! It's a pity that I couldn't come last week together with [REDACTED] to visit you and bring myself the "traditional" bread that I brought coming back from [REDACTED]. Really hope you enjoyed it!!

Wishing you all the best!
Kind regards,
[REDACTED]
