Somebody told something to Yuri.
And I will find out soon.

I feel that this is one of the worst blows of my life (in addition to last summer) that I will never forget.

Is it Hussein?

I am slowly telling all prospective LPs that I talked to that a deal w Yuri is not happening.
So far I am getting a good feedback - see below.
Also from Lemann

They are all telling me that they are in a deal because of me - not because of Yuri.

I still will need a huge help to pull it off.

As I said, I am behind you 100% in all ventures. If I were you, I would not jump into the fund thing unless you feel fully comfortable. Patience is golden.

I am going to have the President's office sponsor your trip, so we get to spend time together.

Warm regards,
Cenk
