Met with ceo of telstra in australia, serious interest. Wants Australia and some other area countries.

Salinas confirmed he wants to take mexico and a few other Latin American countries... Had a 4 hour dinner with him Thursday. Mexico has. 14b national network plan they may or may not do... This is helps that substantially.

Met with the governor of Wyoming yesterday... Very high interest for his state (want to build up political will).

Met with founder of vimpelcom, 5th largest global telco. Wants Russia and a bunch of areas.

French president confirmed he would like to be part of our announcement.
