Subject: RE: Maintenance Building

Good Afternoon Cecile,

I trust all is well.

Based on my conversation with Mr. Epstein and your email communication, Mr. Epstein should prepare a proposal to include the following:

- Mr. Jeffrey Epstein will utilize the Virgin Islands Port Authority's current Maintenance building which is scheduled to be demolished;
- Mr. Epstein will enter into a long term lease agreement with the Virgin Islands Port Authority (VIPA) for use of its current Maintenance building as a hangar;
- Mr. Epstein will be responsible for the reconstruction of the current Maintenance building for use as a hangar to be leased to Mr. Epstein and owned by the VIPA;
- Mr. Epstein will be responsible for the construction of a new Maintenance building in another location as determined by the VIPA for use by the VIPA; and
- The VIPA will be responsible for all architectural drawings and permits necessary to construct the new maintenance building for use by VIPA;

Please feel free to contact me if you have any questions or require additional information.

Regards,
