Jeffrey!!

I'm not sure if this email will find you, but I have been thinking about you a bit recently and I would love to know how you are doing? I do hope you're well and happy--though something tells me you are!

Things are all pretty good on my end, I'm a mama now to two wonderful little ones and also have a health and wellness business that I am starting. Actually you were one of my original reasons for getting interested in this field, so thank you.

Thank you for so many things. When I met you I was young and quite overwhelmed and taken by you, so I found it difficult to find my footing and center. Now looking back on it I remember only goodness and I so hope you are happy.

Lots of love to you Jeffrey,
