Question for me is how pressing is the timeframe? How serious an initiative. If it's just us brainstorming I can come to you / or your always welcome in Montreal.

If we want to do actually workshop how we make the coin a reality, (team, tech, etc.) - it's better if I bring some of my staff to back us up in the discussion.

-Austin

Putting a team together to help you build & concept your sharia coin if your still serious.

Do I fly to you? Or do you want to visit Montreal and meet the team?
