I expect the following:

tickets: 1200 each
public transport: 70 each
food: 1000 each
housing: about 6000 for all

—> approximately 15000

do you know approximate cost of stay, tickets and food for four programmers for month of June?
please advise
thank you

Hi Richard,

we are currently preparing a workshop in Cambridge that will start next week and involve four programmers from Berlin. Jeffrey has agreed to fund their stay, tickets and food for June.

For most of the time, they will stay at a B&B, and we can provide the bill/money can be sent directly to them. They have paid for the flights already and need to be reimbursed. Additionally, we will need about \$4000 to feed them.

I have a US bank account now, so I can use checks etc. What is the best way to go about this?

Bests

Joscha

Dear Jeffrey,

how are you doing? There is a book I would like to send your way; are you currently in NYC?

The programmers will arrive on Sunday and Monday. My bank account is rapidly emptying, and I will need to feed and house them. The B&B can send a bill directly to any address we give them, and they have taken care of their tickets (in the hope of being reimbursed).

is there an assistant that I should contact about the details of the workshop funding? I should probably have done this earlier.

Bests and thank you,

Joscha
