I removed a judgement reduced the interest rate , and went through a lot of trouble against the advice of counsel to make it easier for you, You and I agreed you would behave like a mensch. which includes. calling when you say you will , returning emails and not hiding. Asking me for a favor , and then not living up to your end of the agreement , and describing the result of your actions as punitive is silly . you also told me that we would be done by the en of may.

Interest payments are current, Jeffrey. I am holding up my end of our current agreement. I am not in breach of any agreement. I introduced the notion of paying back the principal now and am making best efforts to conclude that deal. And I explained to you that certain aspects of that contemplated transaction are out of my hands. I do not believe it is reasonable or appropriate to threaten punitive actions.
