Good afternoon Derek,

A private boat charter company, See and Ski, is willing to provide the transportation to the property. Please confirm that this is still to be done on Monday, June 2, 2014 and let me know the time.

With warm regards,  
Cecile

Good morning, Mrs. deJongh,

Sorry for the delayed response. I was out of the office and did not readily have access to my email. We heard back from Fish and Wildlife who said they could not accommodate us. Can you please assist us with alternate means of transportation? Maybe we can discuss this further today? What time this afternoon works for you?

Derek G.

No need, Commissioner. I spoke to Mrs. deJongh and we have an action plan with how best to proceed to have it done as soon as possible.

Good morning, Mrs. deJongh:

The commissioner and I discussed your offer this morning. After reading your most recent email, do you think we may be able to discuss it further over the phone? If possible, I will make myself available whenever you are.

Good afternoon Commissioner,

Unless you think it inappropriate, Mr. Epstein's boat captain can take the appraisers out there.

With warm regards,  
Cecile

I spoke with Derek and we are having difficulty scheduling with Fish and Wild Life to take the appraisers over to the island to do their field visit. I gave him the go ahead and schedule a charter if DPNR does not respond this week to him.

Good afternoon Commissioner Millin Maduro,

Please let me know if you have received the valuation appraisals for Dog Island. As I recall, the appraisals should have been completed by May 9, 2014, assuming that the appointment letters were faxed/emailed or by May 16, 2014, assuming that the letters were mailed. We would like to move forward as expeditiously as possible.

Thank you in advance for your time and attention to this matter.

With warm regards,

Cecile
