Jeffrey, can you let me know if you would like your old client files or if you want them simply destroyed?

Hi Sarah!

I hope you are well. I am working with the gang on a few projects. One is cleaning up their previous clients files and setting up for destruction. Amy asked that I should check with Alan on whether or not Jeffrey Epstein wants his legal files. Most clients opted to having the files destroy, as they are public record. Could you please check with Alan and let me know if Jeffrey Epstein is interested or not in the 9 boxes of legal files we have in storage (i.e., briefs, research, etc.).
