not sure how to respond, for three years , you have asked for and received money, the story goes as follows . I need money to 1. feel secure to get my life in order. 2 a little time to organize my future, , 3, i need it for a visa. 4 I need it to establish my publishing co. 5. I will do what it takes to repay you . 6 I will earn it. ie, boris apt, find an asst. help with design, (none of those things ever happen , and apart from an asian girl or a facialist at your spa. , no attempts to fulfill your commitment. . I then tell you its not fair, you get upset and five days later merely repeat on the the 5 above with the additional I can't beleive that you wont help I thought we had something,.....

each time I give you what you ask and then 3-6 months later, the repeat of the above begins, I sent you to thailand, funded a book that i don't belive in and told you I thought would not bring you money, help pay your bills, and then.....ground hog day.
