im not surprised. I think the goal is for you to be the owner, rather than the operator. it is clear. the shareholder rather than the concierge. this might be helpful in justice , as why punish the shareholder? , tax better. , estate better , (continuation of operation, girls can benefit , remove when they grow up. , if they choose to we can protect your side and rights . 100 percent , and remove the headache. set a time , accept my skype request that i made and lets speak/skype
