Ok. Will communicate today. Only two conversations with them but my initial impression was very positive. What should I tell them about Thursday Friday this week? Please advise. Thank you.

i spoke with Carluz earlier:

he started off the conversation saying when are we doing to FL?  
i said around Jan 20, 2018 to which he replied we will have to find another job..  
i said that is strange as it is only 3-4 weeks past december 31st..  
after further conversation he walked back that comment but was alarmed that [REDACTED] was going to FL to work and thought that he may keep getting his FL date pushed back...

i then said it does not look good taking 2 days off in your second week of work...  
he said then we will not take days off if it will upset Mr Epstein..  
i said shouldn't you want to learn job as you are very new...  
he said job was very easy and most difficult part was managing challenging staff personalities..

i told Carluz i would review this conversation with you and be in touch tomorrow  
please advise  
thank you
