I'm happy to hear from you, happy to see your stock at the 120 level. an increase in over 100 million in new net worth in only a few months . (how long did it take for the first 100?) I assume, by your email , that as I predicted , you have not found a solution to your very complex problem that meets all of your needs. I'm really sorry. I cherish our friendship and I know the feeling is mutual . That being said, we have been down this road many times before. The last time we went down this path , as my former emails stated, I hired, at your request , a number of people to work on your project. I have continued to pay them ,as i gave them my word when they left their former job . I will fly from the Caribbean to have lunch with you anytime for any reason . however if the meeting you have requested is in regards to wanting me to create a structure and implement your much needed plan - my fee has always been and will continue to be 40 million dollars. payable up front now . and refunded in part .if unsuccessful . As you recall, I have already found for you hundreds upon hundreds of millions of dollars of issues charity clause etc . as per our past emails. You have in the past, in your words been unable emotionally to come to grips with paying large fees. I respect that view as I respect you. If you still have hesitations lets not even begin again - if you want to verify the the 40 million is my standard please feel free to check with the Lawyer you liked at Paul Weiss , Alan Halperin . [REDACTED] . I understand from him that you recently bumped into each other.
