it appears that vendors cannot perform and complete sauna room work until mid September
i tried to push MJ and Valdson to be firm with vendors yet we had no luck with securing an earlier time to
perform work
please advise if ok to proceed with 40% deposit in the amount of 2400 euro to secure Sep time slot?

URGENT

There is no possibility before September. Valdson checked again this morning (firm closed until the end of August - vacation time).

"AUBERLET & LAURENT (ceiling for the sauna room):

Please confirm that you agree on the attached new quote for the ceiling, so I can send it signed on behalf of Mr. Epstein. Please also indicate how payment of 40% of the quote (2,400.00 €) should be made (from Mr. Epstein's personal account in Paris?).":

Please advise so I can confirm for September. If accepted quote not sent and payment not made, AUBERLET & LAURENT will not keep the scheduled dates in September.

Best regards.

Repairs (for the sauna room) are likely to take place during the 2nd week of September, subject to approval of
quotes. Painting work should be completed during the 2nd /3rd week of September at least for the sauna room,
for the rest it depends if the walls are totally dry by then.
Attached, please find the recap the expert of the insurance gave Valdson on July 10th. You should be receiving
through Mr. Epstein's insurance company the official letter giving the information about the compensation to be
received by Mr. Epstein. Please advise when received.

AUBERLET & LAURENT (ceiling for the sauna room):

The expert indicated that the VAT mentioned in the quote for the ceiling was not correct. In order to obtain an
updated corrected quote, I sent an affidavit on the type of work to be done for the ceiling (see attachment) and
just received today the corrected quote. Please confirm that you agree on the attached new quote for the
ceiling, so I can send it signed on behalf of Mr. Epstein. Please also indicate how payment of 40% of the
quote (2,400.00 €) should be made (from Mr. Epstein's personal account in Paris?).

MERIGUET (painting):

Valdson is trying to get a new quote after information received from the expert. This new quote is expected to
be received this week.

Best regards.
