leader to me: dont see the argument re separation of children. If someone breaks into my house. they are committing an illegal act. they are criminals. not "undocumented entry persons" but "illegal". We all want the criminal to go to jail. if they have children. they are separated from them. all criminals in jail are separated from their children. It is a consequence of doing illegal things. -- why is the left not complaining that paul manfort has been separated from his children. ? :)
