1. wills are public documents. trusts are not. your will should state nothing but I give all to trusts. . inside trusts lies instructions. 2. though you and i have discusseed numerous times that renees only real thing to hang on to the past would be the apt on 5th, but you have now left it to abigail. .3. personla property is left to both, without instructions and outright. (nuts). 4 you cannot leave dora with only 600k she couldn't even buy a studio in queens for that, maybe a parking space. increase it to 3- 5 miliion she has been with you through thick and thin, 5, you cannot expenct trusttes to spend quality time for 250k, increase to at least 1 million, 6, you cannot leave your operating biz in the hands of people with no experience, not fair to the people that have been there forever, , 7 use TErje larsen as an adult in the group. 8. do not put restritctions on joel klein, at the same time you are relying on his integrity , . 9 the morgan stanley reports are inaccurate, and lead to bad results. 10. The tax consequences are not dealt with. . 11. you are a responsible person, this will does not reflect that . at all. .. there are many more things but these ten should give you a flavor. not a nice one
