---

Sorry, closed on Ben's townhouse this morn and then actually spent the rest of the day down there changing locks, ADT, hired the concierge service so I don't have to do this again. Had an eye doctor appt myself at 5. Out now. Available on cell [REDACTED] now or tomorrow. I am actually taking a couple of vaca days, tomorrow, Monday and Tuesday but available as needed. Will be back in on Wednesday to do Leon's closing. The architect on Leon's project, Paul Alter was at Ben's this morn also. He is the one who introduced Leon to the potential project manager, a woman he has worked with on a couple of other projects. We would process all the bills but she would do pretty much all else. I spoke to Justin Nelson. We will work to get Paul Barrett back on Leon's calendar ASAP after Labor Day.
