Jeffrey
Flight time DCA - STT is 3+10min.

-yes ASO (marshal) must be on board aircraft when passengers are present, in and out if DCA.

I can fly into DCA without marshal on board if no passengers are in aircraft.

Dulles customs is 24hour operation.

Yes we can clear into Dulles from St Thomas if you elect.,

I was planning to arrive in St Thomas tomorrow 9:45pm Sunday night with Dave, for our Monday departure to NY.

Let me know if you want us to come Sunday night on airline? We are scheduled to depart Miami 7:10pm

Thx

Larry

Ok

Reminder: we need to depart from gateway airport to land in DCA,

So we are unable to fly direct from St. Thomas to Washington

Just heads up

My plan if you agree, is to fly Boeing to Palm beach on Tuesday. Restock plane with life vests and other supplies currently in PBI. When Fuel Flow box arrives Friday, install in PBI, I also have Boeing maintenance support if needed. I think it makes sense to fly Boeing on Tuesday rather than wait till Friday, in case Maintenance is needed.,

-Wednesday night return to NY via airlines for GIV trip Thursday to DCA

Fly Boeing to White Plains or Newark Sunday to be in position for Monday to Paris.,
This gives me two flights in Boeing before making a North Atlantic crossing.

Let me know if this works with your travel plans at your convenience?

Thx

Larry
