Morning Ana, based on our last visit, what I envision that you need from Sylvester including the use of pesticides with pest control, And based on his experience with plants and his leadership skills. I believe that he deserves no less than \$18.00 to start. If he is given the opportunity to help organize the daily tasks for some of your landscapers in regards to plant maintenance I believe you will see good results, I am also willing to visit and assist him.  
Thanks again.

Hey Bossman,

Cleave uncle Mr. Sylvestor declined my \$12hr offer. Would you like to make him a different offer?

His daily duties would be as listed..  
Clipping plants for better blooms  
Pesticide spraying to kill bugs/worms  
Checking soil  
Green house planting  
Maintenance schedule for Plants/Flowers  
Watering schedule based upon certain plants, flowers & areas.

If we don't hire Mr. Sylvestor Chris will then have to figure out how to get all these items done with the staff on hand.

Ann R.
