Ada just discovered that, while she had typed the email before she left for vacation, it was sent only this morning, at 8:30, when she returned to the office. I – and others – just received the email. I will look at it immediately. The team is reviewing this morning. Best. Alan

Hi—I sent a draft for Alan’s comments before I left for vacation but have not heard from him. I will nudge him this morning. I should be able to give you something by the end of the week.
