Hi Jeff,

Do you have good contacts with Boston University?

I would like to understand how the student community is welcoming this new app "UNII" ; (social network for students with many apps linked to it and also FLING)?

I might invest in it; if there is any ways you can have some kind of info and let me know.

Personally, I strongly believe in FLING app but i don't know about the social network for student.

Let me know and maybe we could invest together,

Hi [REDACTED]

Raf thanks for the intro!

That sounds fantastic! I am in Boston for two weeks now launching the Unii app here amongst the huge student community, shall we organise a date post 24th September when you can come and visit us in our offices, check the pace and the team out? We have grass on the floor - it's real cool 🤓

Guy in the meantime can you please arrange NDA and Business Plan for [REDACTED]?

Thanks a lot and look forward to meeting you!

All the best,

Marco

Ciao. I would like to introduce u to [REDACTED]. She is the wife of one of my closest friends in Italy and interested in making a 100k investment in Unii and possibly more in Fling alone if and when we ll spin it off.

She would like to make a decision swiftly and therefore would welcome the Opprotunity to meet with you in the next couple of weeks.

Can the two of u liaise?

Guy, can u please liaise with her to send her the historical business plan even if out of date and sign NDA docs?

Thanks to all

Raf
