Good Morning Bosco,

For the future. I'm requesting that any labor having to do with LSJ be done during a scheduled work day or work week. I would like for you not to do any form of labor for LSJ during Quiet days, Holidays or Weekends unless requested by Management.

Friday would be a questionable issue because we are unaware of any work or labor done that should've been requested or supervised by Me or Mr. Vicars.

Saturday would be considered a requested day because we did in fact asked you to work on Saturday, September 13th for the delivery of Propane Gas and Trash Runs.

Please feel free to call me with any issues or concerns at [REDACTED].

Thank You,
Ann R.

Good Morning.

Friday 9-5-14 was a quiet day at the island but I assembled the JCB Idlers at my shop.
Saturday 9-15-14 we did barge runs with propane and trash.
