Hi [REDACTED] – my director called me and said there was a mistake on the prepayment amount. She is having the accounting dept go over all the amounts between the 2 units (28D and 35D) and will let me know. I counted the days in September you were there that was used up from the first prepayment you made. So probably the difference will be for those days. But I will get the details and let you know. Sorry.
