These face creams were given to me by the brands as GIFTS. I didn't buy new clothes since more than a year. In fact I still use the shoes that you gave me since 3 years ago which are destroyed and I look like a homeless. I don't even have clothes for this winter. The only thing that it's true that I spent a lot of money on are taxi's because I'm scared to take the subway.

review your expenses , see if face creams perfumes. beauty products sitting on your counter were the right things to buy, or cloths or taxis. you had agreed to put down all your expenses so you yourself could see where your money goes. as usual you didnt do as you agreed./ promised repeatedly . so this is where i said i was afraid you would be. . if you continued to ignore what you agree to.

It's since March that I'm trying to live with the money you gave me and even if I'm working I don't earn enough to sustain my life alone. I tried but with the rent and all the other expenses I'm not able to make it by myself. What should I do ?
