yep
some of the hedge that looms a bit is on the neighbor's property, but I will talk to him.
We can widen the opening a bit.
We are planning on raising the gate posts 2 feet taller which is the maximum allowed by code.
We could clad them in stone too?
We could replace the lanterns with something more imposing.

i suggest the opening be made wider so that there is space above the column , we might increase colum size and light it
