Dear Jeffrey,

The FAS planing office has informed me that the Kennedy School might want our space back in June 2015. This is when our current lease ends. But in our contract we have the option to extend the lease until 2017.

It would be extremely important that we can exercise our 2 year option (extension until 2017). The space is still working extremely well for us. An immediate move would be completely disruptive.

I wonder if you could help.

Best wishes
Martin
