hope today's meeting in Wash goes well. pulling you back from the brink is tricky. all agreed that putting a client who is under criminal investigation in front of prosecutors was nuts. as I strongly suggested. waiting until the last moment for change was a very costly error. I always will provide you my best advice. I cannot imagine how many issues you have on your plate currently. again first your health. without that the family is screwed. I'm pushing you so that another crisis that can be avoided - is. let's talk tomorrow
