Jeffrey, hope you're well. Thanks for making a little time today to talk with Daniel Sabba who recently joined our key client partners capital markets team. He's joining from Merrill, also I hired another addition Stewart Oldfield who started this week working for me joining from CS where he spent the last 10 years in derivatives and alts, very sophisticated with tax as well so please use him, they both will be working closely with me on a number of large client situations. Best,
