Hi Jeffrey,

I am very excited by a new investment. It is risky like any new internet technology, however it is already a very successful apps.

The company doesnt want to accept external investments yet. They want to keep the ownership as private as possible until it sells for a lot of money or become listed.

Because i know the founding partners they would accept MY investment and i am personaly convinced that it will make a lot of money.

I don't have enough money to invest alone.Would you like to help me to invest? At the moment it a great

opportunity as we would be amongst the first investors and me+you would share the profits.

Check "FLING", the app launched last month by Unii and is in the top five apps on the Apple App Store across Europe.

Speak soon.
